Interests

Music

I have play many different instruments, which include Piano, Organ, Bass Guitar, Drums, etc. Also, have played in many bands including marching, concert, jazz, gospel, and rock bands. I have performed in many setting ranging from small and intimate rooms, large stadiums, and national commercials. Currently I play piano at my church and have for almost 10 years.

Sports

I have played multiple sports, including basketball, baseball, and bowling. I love to watch and talk sports, especially basketball, being the sport I have played the longest.
